

Transfer Lift

Product features

Multi-Functional Design	Removable dining tray for meals, reading, and leisure; built-in toilet bucket for convenience.
Stable & Safe	Locking universal casters prevent wobbling; comfortable leather upholstery for seat, backrest, and armrests.
Easy Care & Storage	Comfortable, easy-to-clean armrest grips; foldable design for compact storage.
Bed & Bathroom Mobility	Fits under beds with $\geq 15\text{cm}$ clearance; doubles as a mobile commode and shower chair.
Height Adjustable	Free height adjustment reduces caregiver back strain, enabling single-person operation.
High Load Capacity	Sturdy carbon steel frame supports up to 300 lbs (150 kg) with high strength and toughness.
180° Open/Close Design	Flexible 180° opening and closing for easy patient transfer across scenarios.
