

MyMed-Reminder

Product Positioning

Smart upgrade accessory for regular pill boxes (vs. integrated smart pill boxes). No need to replace existing containers—adds "reminder + data management" functions, ideal for home/travel use.

Product Features

- 1 Works with most pill boxes/bottles; usable alone.
- 2 1-step Bluetooth-APP connection, no complex setup.
- 3 4 reminders: Light/sound/APP/calendar.
- 4 Auto "taken/missed" records, shareable via APP/email.
- 5 Anti-lost alert when out of range.

Product Advantages

- 1 EU CE, US FDA compliant; food-contact materials (no extra storage certification).
- 2 Fits 3-10cm pill boxes/bottles worldwide.
- 3 Only syncs medication status (GDPR-compliant).
